

## Forest History Association of British Columbia

Forest History Association of British Columbia

You are invited to join the Forest History Association of British Columbia. Formed in 1982, the association's interests cover a wide spectrum – from the history of people and machines to the evolution of forest resources management and the associated social and political aspects. Members represent a variety of professions and come from all corners of the province and elsewhere in North America.

**Membership is \$20.00 annually, or three years for \$50.00.** Memberships are on a calendar year basis – January to December. Membership includes a subscription to our electronic newsletter\*\* as well as the opportunity to attend virtual talks and the association's annual general meeting. This usually involves a field trip in addition to the conduct of the association's business.
